Activities

Besides working intensively on our musical skills we will enjoy the location at lake Frauensee. There will be one day without classes to spend individually (meals as usual). You can go hiking (hiking boots recommendable) and explore the authentic nature around the lake, go for a swim or just relax in the sun. At a distance of 4 kilometres the villages Lechaschau and Reutte offer a wide choice of touristic entertainment. We will spend the evenings with music, singing and dancing, either at the campfire by the lake or in the big group room inside, depending on the weather.
